WHY SCI

Built on 30+ years of telecom work
Telecom is where SCI started and still our core: the same discipline goes into every site.

Hydro utility know-how
Utility layouts and LDC coordination are everyday work.

Single point of contact
SCI manages the electrical scope and coordinates civil and trenching through trusted partners.

Safety-first crews
ISNetworld® compliant, with safe work planning on every site.

Planning a municipal or utility project?

Send us drawings, a site address or a scope. We will review it and come back with a clear plan and price.
